- column, that indicate the number of positions authorized. The figures shown in C. A. column will, in some cases, be preceded by an asterisk, ie, * space 1 or *21.
- This requirement has been initiated by C/SRB in order to remove from the Agency position grade distribution count all the positions currently allocated to the Credit Union, Insurance Branch, and the Employee Activity Association as these positions are being incumbered by non-ceiling count employees and, therefore, the positions should be counted likewise; keeping a better balance between on duty strength and planned incumbency.
